

www.greymouthphotoclub.org.nz

The Greymouth Photography Club is the largest photography club on the West Coast. We are centrally located in Greymouth and have members from areas as far south as Haast to Barrytown in the north and also east through the Grey Valley. Our members range in ability and experience, from the complete novice to the professional photographer.

Meetings are held on the 3rd Tuesday of each month at 7:30pm (February to December) in the Trinity Centre, 201 Tainui Street, Greymouth.

The club offers members the following:

- **Monthly meetings** offering a range of programmes including practical sessions or tutorials, covering many topics from the basics of camera use through to the more advanced use of digital photography software, and guest speakers of varying photographic interests.
- **Monthly competitions** which are a good way to both showcase your photographs and learn from the judges comments. They also provide an opportunity to view and be inspired by work from fellow photographers.
- **Field trips** to some great West Coast sites where you have the opportunity to capture many wonderful images. Overnight (or longer) field trips are also occasionally made to places further afield.
- **Workshops** covering various topics subject to demand and interest. Members are encouraged to ask for workshops to be held on any matter they wish to learn more about.
- **Monthly newsletters** containing news, articles, competition results, photography and helpful hints.
- **Access to our club library** of photographic resources.
- **Free entry in the annual Seddon Shield Area Photographic Competitions** which are organised in turn by each of the five photography clubs in the West Coast, Buller, Nelson and Marlborough regions.
- **Club affiliation to the Photographic Society of New Zealand**, providing members with benefits such as receiving PSNZ's monthly newsletter (CameraTalk), access to PSNZ Help Sheets and the opportunity to apply for photographic honours to the level of Licentiate (LPSNZ). The affiliation also keeps our club up-to-date with the latest photographic news, events and competitions from around New Zealand.
- **Above all else, the meetings offer an opportunity to meet and share experiences with other photographers.**

If you are interested in what the club can do for you, come along to our monthly meetings at 7:30pm on the 3rd Tuesday of the month (see above for venue details). ALL are WELCOME.
