

## Editor's Ramblings

Apologies for the late newsletter this month; too many things to do all at once in the last week or so! Hopefully you have all managed to come up with some interesting shots for this month's set subject competition, KIWIANA. Maybe you cooked yourself up a yummy pavlova adorned with lashings of cream and kiwifruit and did a photo session on it before you consumed it, or maybe you took your jandals down to the beach and pretended it was still the middle of summer while you modelled them for the camera!?

At our last committee meeting it was decided to hold a **mid-winter dinner**, which will be preceded by a short field trip, this coming Sunday (21 June). Details will be announced at the meeting tomorrow or by email during the week. Hope you can all come along.

A date has been confirmed for the **Burford Salver** meeting later this year. We will be hosting the event which will be held in Reefton on Saturday, 14 November. A visit to the Globe Progress Mine is planned followed by dinner at one of the local restaurants. Book the date in your diary now!

Something I meant to put in last month's newsletter, but forgot, is that one of our members, Ruth Punnett, has been selected for the New Zealand triathlon team for the World Triathlon Age Group Championships on the Gold Coast this coming September. **Congratulations Ruth**, and all the best for the Champs in September!

Well, that's it from me. See you all Tuesday (tomorrow) night!

## Southern Regional Update

Entry forms for the Southern Regional Salon are now available for download from our club website. Click on the Southern Regional logo on the home page of our site then select SALON from the page links to go to the page containing the download for the entry form.

## Matthewson Trophy & Southern Regional Digital Image Interclub Competitions

We **NEED** your **very best images** to be considered for our club entry in the upcoming Matthewson Trophy and Southern Regional Digital Image Interclub Competitions. The subject in both competitions is OPEN so anything goes. We do not need to select a 'set' as such, but rather just SIX (Matthewson) and EIGHT (Southern Regional) outstanding images in their own right. The images are individually assessed by the judges and given a score; the club with the highest aggregate score is the winner.

Therefore, please email up to **SIX OPEN images NO LATER THAN, Tuesday 16th June** to [elizabeth@passuello.co.nz](mailto:elizabeth@passuello.co.nz) or bring them on CD or USB flash disk to the meeting on Tuesday. Size them the same as our club competitions - 1024px wide for horizontal format or 768px high for vertical format.
